Pursuant to and within the limits of section 725.08, Florida Statutes, the Contractor shall be required to indemnify the MDX Indemnified Parties from any claim, loss, damage, cost, charge, judgment or expense, to the extent arising out of any negligence, recklessness, or intentionally wrongful conduct by the Contractor, its agents, employees, or Subcontractors during the performance of the Agreement, whether direct or indirect, and whether to any person or property to which the MDX Indemnified Parties may be subject.

The Contractor's obligation to indemnify the MDX Indemnified Parties shall be triggered by MDX's notice of claim for indemnification to the Contractor. The Contractor's inability to evaluate liability or its evaluation of liability shall not excuse the Contractor's duty to indemnify within seven (7) Calendar Days after such notice by MDX is given by registered mail.

Only an adjudication of judgment after the highest appeal is exhausted specifically finding MDX solely negligent shall excuse performance of this provision by the Contractor with respect to indemnification of MDX.

The Contractor's obligation to defend, and indemnify the MDX Indemnified Parties shall be triggered by MDX's Notice of claim for indemnification to the Contractor. The Contractor's inability to evaluate liability or its evaluation of liability shall not excuse the Contractor's duty to indemnify within seven (7) calendar days after such written Notice by MDX is given pursuant to the section herein entitled Notices of the Agreement. Only an adjudication of judgment, after the highest appeal is exhausted, specifically finding MDX negligent shall excuse performance of this provision by the Contractor with respect to indemnification of MDX. If MDX enters into such an agreement in writing, in violation of this section, such agreement is null and void, and MDX will not make any payments thereunder. Reference herein to this Agreement shall be deemed to include any supplement hereto. Unless otherwise agreed to by MDX in writing, the Method of Compensation shall apply to all Supplemental Agreements.

When MDX requires services, which are not covered by the Scope of Services in this Agreement and MDX finds that such service is essential to the satisfactory completion of this Agreement within its intended scope, MDX will make an adjustment to this Agreement through a Supplemental Agreement. The basis of payment for such adjustment will be in the amount MDX determines to be fair and equitable, upon discussion and agreement with the Contractor in writing and in accordance with the relevant provisions of this Agreement, including but not limited to, the Method of Compensation.

The Contractor agrees that the sole remedy in this event will be an extension of time for performance. The granted extension may be done in writing by the Deputy Executive Director or designee, and must include a specific time frame for the completion of the Services, provided that such time extension for completion of the Services does not impact the term of Agreement or trigger effectiveness of contract provisions, such as liquidated damages, as may be applicable. In such case, the time extension must be approved through a Supplemental Agreement.

It shall be the responsibility of the Contractor to monitor and ensure that sufficient time remains in which to complete the requested Services. In the event any delays occur that would affect the completion date, as determined in the Contract Documents, the Contractor shall submit a written request to MDX which identifies the reason(s) for the delay and the amount of time related to each reason. MDX shall review the request and make a determination as to granting all or part of the requested extension.

In the event that the time for performance expires and the Contractor has not requested, or if MDX has denied an extension of the completion date, partial progress payments will be stopped on the date time expires. No payment shall be made for Services performed subsequent to the date time expires until a time extension is granted or all Services has been completed and accepted by MDX.

17. FORCE MAJEURE

The failure of either MDX or the Contractor to comply with any provision of this Agreement due to an act of God, hurricane, war, fire, riot, earthquake, flood, strikes, act of public enemies, or actions of governmental authorities outside of the control of either MDX or the Contractor (excepting compliance with applicable codes and regulations) will not be considered a breach of this Agreement. In this event, the time for the performance of the obligations under this Agreement will be extended for a period commensurate with the delay but the Contractor will receive no additional compensation.

18. EMERGENCY PREPAREDNESS

As may be applicable to the Services, in the event of an emergency, the Contractor shall coordinate with MDX to identify and prepare to assume the necessary responsibilities of the Emergency Preparedness and Response Plan developed for MDX.

19. CONTRACT PERFORMANCE EVALUATION

The Contractor's performance will be evaluated pursuant to the requirements of Article 10, entitled *Contract Performance Evaluation of the MDX Procurement Policy*.

The Contractor shall not represent any other party before the State Legislature or any committee thereof, the office of the Governor or any member of the cabinet or any state agency on any matter where such party's interest may be adverse to MDX without the prior written permission of MDX.

In the event the Contractor desires to represent another party before any of the aforementioned public officials, bodies or agencies on any matter where such party's interest may be adverse to MDX, it shall promptly inform the MDX Executive Director or his or her delegate in writing of the party it wishes to represent and of the nature of the proposed representation. MDX, in its sole and absolute discretion may preclude the Contractor from simultaneously representing MDX and another party when MDX determines that representation of such other party may be adverse to MDX's interest. In making such determination, MDX shall have sole and absolute discretion to determine the role of the Contractor and the nature of its representation of MDX. Should the Contractor fail, after five (5) Business Days' notice, to resolve a conflict as determined by MDX, MDX shall have the right to terminate this Agreement.

In the event that such determination shall cause MDX to incur any increased costs due to its inability to retain the Contractor for a particular matter, the Contractor shall promptly pay such costs upon being invoiced therefore by MDX. Absent manifest error, the determination of MDX of such increased costs shall be final and binding on the Contractor.

As used in this section, the term "increased costs" shall mean:

- (1) Administrative costs incurred by MDX including but not limited to legal fees, associated with the retention of another contractor to perform the services that would have been performed by the Contractor absent such conflict of interest, and
- (2) The difference between the amount paid by MDX to such replacement contractor to perform such services and the amount that would have been paid by MDX to the Contractor to perform such services. MDX and the Contractor shall use their best efforts to mitigate the conflict and any increase in costs.

In the event of a dispute between the parties, the parties agree to mediation prior to any litigation to resolve said dispute.

MDX is governed in its contracts and transactions by provisions of Florida law relating to conflicts of interest, prohibited transactions, and ethics in government. All parties to contracts with MDX relating to the Services shall familiarize themselves with the Chapter 112, and Chapter 348, Florida Statutes, the *MDX Procurement Policy*, the *MDX Code of Ethics* and with general Florida law regulating MDX's ethical requirements, prohibitions and limitations with respect to procurement and contracts.

The Contractor also agrees that it shall not publish, copyright, or patent any of the data furnished in compliance with this Agreement, it being understood that under the provisions of this Agreement such data or information is the property of MDX.

MDX shall have the right to unilaterally cancel this Agreement for refusal by the Contractor to allow public access to all documents, papers, letters or other materials, subject to provisions of Chapter 119, Florida Statutes, made or received by the Contractor in conjunction with this Agreement.

21.2 Conflicts of Interest:

The Contractor warrants that, to the best of the Contractor's knowledge and belief, there are no relevant facts or circumstances which could give rise to a potential or actual conflict of interest, including but not limited to, an Organizational Conflict of Interest, as defined herein, or a Personal Conflict of Interest, as defined herein, (hereinafter collectively referred to as "Conflict of Interest", "Conflicts of Interest" or "COI"), or that the Contractor has disclosed in writing to MDX all such relevant information relating to the Contractor, its employees, its agents or any of its Subcontractors.

The term *Organizational Conflict of Interest* as used herein means:

- (a) Because of other activities or relationships with other persons or contractors, the Contractor, its employees, agents or Subcontractors or their respective employees, is/are unable or potentially unable to render impartial assistance or advice to MDX;
- (b) The Contractor's, or any of its employees, agents, Subcontractors or their respective employees, objectivity in performing the Services is or might otherwise be impaired; and
- (c) The Contractor, its employees, agents, Subcontractors or their respective employees, has/have an unfair competitive advantage.

21.2.1 Notification of Conflict of Interest

The term *Personal Conflict of Interest* as used herein means a relationship of an employee, Subcontractor, or the employees of a Subcontractor with an entity that will or may impair the objectivity of the employee, Subcontractor employee, or Subcontractor in performing the Services.

Prior to commencement of any Services, or immediately after becoming aware of a Conflict of Interest, whichever is sooner, the Contractor agrees to notify MDX's Executive Director or his or her delegate either:

- (1) That, to the best of its knowledge and belief, no Conflict of Interest exists, or
- (2) To identify to MDX any Conflict of Interest the Contractor or its agents, employees, or Subcontractors may have. In emergency situations, however, Services may begin, but notification of Conflicts of Interest shall be made in writing to MDX's Executive Director or his or her delegate within five (5) Business Days.

The Contractor agrees that if a Conflict of Interest is identified during performance, the Contractor will immediately make a full disclosure in writing to MDX's Executive Director or his or her delegate. This disclosure shall include a description of actions, which the Contractor has taken or proposes to take, after consultation with MDX, to avoid, mitigate, or neutralize the Conflict of Interest. The Contractor shall discontinue any relevant performance until notified by MDX's Executive Director or his or her delegate of any contrary action to be taken.

MDX may, at its sole discretion, withhold payments due or which may become due, suspend the Services, terminate this Agreement for convenience, in whole or in part, if it deems such termination necessary to avoid a Conflict of Interest, or pursue such other remedies as may be permitted by law or this Agreement. If the Contractor was aware of a Conflict of Interest prior to award or discovered a Conflict of Interest after award and did not disclose it, or misrepresented relevant information to MDX, or MDX becomes aware of a Conflict of Interest that was not disclosed by the Contractor, MDX may at its sole discretion, withhold payments due or which may become due, suspend the Services, terminate the Agreement in whole or in part for default, or pursue such other remedies as may be permitted by law or this Agreement.

21.2.2 Conflict of Interest Plan

The Contractor shall prepare and submit a Conflict of Interest (COI) Plan within twenty (20) Business Days after the execution of this Agreement or any other time requested by MDX, which outlines the procedures in place to avoid, neutralize or mitigate Conflicts of Interest, whether actual or potential, personal or organizational, throughout the period of performance of the Agreement. The Contractor's COI Plan is a document which describes the procedures the Contractor uses to identify and report COI's. Generally, a corporate COI plan will describe how a company, in its entirety, addresses conflicts, and will not be contract or program specific.

The plan may also describe the options a company will consider proposing to avoid, neutralize, or mitigate a COI whenever a Conflict of Interest is identified. The plan shall be evaluated and approved by MDX. The plan shall address step by step the checks and balances in place to detect any potential or actual Conflicts of Interest that could result from activities covered in the Scope of Services.

The Contractor's obligations with regard to providing notice of Conflict of Interest situations shall apply until the expiration date of this Agreement.

21.2.3 Restriction on Future Contracts

The parties to this Agreement agree that the Contractor will be restricted in its future contracting in the manner described below.

- (1) The Contractor may be ineligible to participate in any MDX solicitations and ensuing MDX agreements, either as a prime Contractor or Subcontractor.
- (2) The Contractor, during the life of this Agreement, shall be ineligible to enter into any agreement with individuals or firms to perform services on projects related to the Services performed under this Agreement unless otherwise authorized in writing by MDX's Executive Director or his or her delegate.
- (3) The Contractor agrees in advance that if any bids/proposals are submitted for any services that would require written approval of MDX prior to entering into another agreement subject to the restrictions of this section, then the bids/proposals are submitted at the Contractor's own risk. Therefore, no claim shall be made against MDX to recover bid/proposal costs as a direct cost whether the request for authorization to enter into the other agreement is denied or approved.

21.2.4 COI Adverse Determination

A review process available to the Contractor when an adverse determination is received shall consist of a request for reconsideration to MDX's Executive Director or his or her delegate and a request for review submitted to the applicable Awards Committee. An adverse determination resulting from a request for reconsideration by the MDX Executive Director or his or her delegate will not preclude the Contractor from requesting a review by the applicable Awards Committee. Either a request for review or a request for reconsideration must be submitted to the appropriate level within thirty (30) Calendar Days after receipt of the initial adverse determination.

21.2.5 Subcontractors Contracts

The Contractor agrees to insert in each Subcontractor agreement hereunder, provisions which shall conform substantially to the language of the subsection entitled *Conflicts of Interest*, including this paragraph. The Contractor may request in writing that MDX's Executive Director or his or her delegate exempt from this Conflicts of Interest subsection a particular Subcontractor agreement for certain technical or contractor services. MDX will review and evaluate each request on a case-by-case basis before approving or disapproving the request.

The Contractor agrees to insert in each Subcontractor agreement hereunder the requirement that any Subcontractor who performs Services as a Subcontractor pursuant to this Agreement and wishes to submit a proposal or bid, either as a prime Contractor or as a Subcontractor on any MDX procurement, shall request in writing a determination from MDX that they may participate in the specific MDX procurement prior to the proposal or bid submittal date. Such written request shall include justification as to why there is no Conflict of Interest in this situation. Failure to do so may result in the Subcontractor's proposal being deemed non-responsive.

21.2.6 Annual Disclosure Form

In compliance with section 348.0003, Florida Statutes, as may be amended, in addition to all other requirements of the Contract Documents related to avoidance and disclosures of Conflict of Interest, the Contractor is also required to annually submit to the MDX Ethics Officer the MDX Annual Disclosure Form, incorporated herein by reference and found in the MDX website, and provide the following information:

- (2) Whether a relative of the Contractor is registered to lobby the Executive Branch of the State of Florida or the Florida Constitution Review Committee and, if so, the names of such lobbyist's clients must be provided in writing to the MDX Ethics Officer.
- (3) Any and all interests in real property held by the Contractor or the immediate family member of the Contractor, if such real property is located in or within a ½ mile radius of any actual or prospective MDX project.

The MDX Annual Disclosure Form must be submitted by the Contractor on the Effective Date of the Agreement and updated every year on the same date. It is the Contractor's responsibility to obtain from MDX an updated corridor map and a property ownership list for all real property within the disclosure area, and an alignment map with a list of associated owners in order to properly complete the MDX Annual Disclosure Form. Failure by the Contractor to timely submit the MDX Annual Disclosure Form is a default under the Agreement and MDX, at its sole discretion, may enforce all applicable provisions under the Agreement, including and up to termination of the Agreement.

22. CONVICTED VENDORS LIST AND DEBARMENT

The Contractor represents that it is not currently on the convicted vendor list, or debarred as described in the *Sworn Statement on Public Entity Crimes and Debarment* form, attached hereto and incorporated herein, and that it shall notify MDX immediately if, during this Agreement, it is placed on said list. The Contractor agrees that placement on said list constitutes grounds for immediate termination of this Agreement by MDX.

By execution of this Agreement, the Contractor further certifies that the information provided in an executed *Sworn Statement on Public Entity Crimes and Debarment* form(s) for both the Contractor and the Subcontractors is true and correct.

The Contractor agrees to indemnify MDX for any costs and expenses, including but not limited to reasonable audit costs, attorneys' fees and expert witness fees that MDX incurs due to any fraudulent statements made by the Contractor in regards to this certification.

23. SCRUTINIZED COMPANIES LISTS

Pursuant to the prohibitions of section 287.135, Florida Statutes and section 215.473, Florida Statutes, by execution and submittal of a Bid, the Contractor has certified to MDX that it is not on any of the following lists:

- Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List.

The Contractor further certified that:

- It is not engaged in a boycott of Israel;
- It has not been engaged in business operations in Cuba & Syria.

Alternatively, if the Contractor was unable to provide such certification, the Contractor provided to MDX a duly executed written explanation of the facts supporting the applicable exception to the requirement for certification in compliance with section 287.135, Florida Statutes.

The Contractor shall provide written notification to MDX of any changes to the certification or exception provided, as described above, immediately upon becoming aware of any such changes. MDX shall have the right to terminate for default the Agreement if the Contractor is found to have submitted a false certificate or to have been placed on any of the above listed lists.

The Contractor shall not engage any Firm to perform Services under the Agreement that does not meet the requirements pursuant to this provision.

24. E-VERIFY REQUIREMENTS

U.S. law requires companies to employ only individuals who may legally work in the United States, either U.S. citizens, or foreign citizens who have the necessary authorization. Any Contractor providing services to MDX must verify the employment eligibility of employees through the U.S. Department of Homeland Security's E-Verify system. In addition, the Contractor shall verify that Subcontractors performing Services on the Agreement utilize the E-Verify system to verify the employment eligibility of employees hired by the Subcontractor during the term of the Agreement.

MDX will consider the employment by any Contractor or Subcontractor of unauthorized aliens a violation of section 274A(e) of the Immigration and Nationality Act. Such violation will be cause for unilateral cancellation of this Agreement by MDX, if it is determined that the Contractor or Subcontractor knowingly employs unauthorized aliens.

25. PROOF OF VEHICLE REGISTRATION

The Contractor shall register all vehicles used in the course of performing the Services as required by Chapter 320, Florida Statutes. If the Contractor fails to register any motor vehicle that it operates in Florida, pursuant to Chapter 320, Florida Statutes, MDX may disqualify the Contractor from proposing on future MDX procurements, or MDX may suspend the Contractor from this and/or other MDX agreements.

29. OWNERSHIP OF DOCUMENTS

MDX shall have the right to visit the offices of the Contractor for review of the Services at any time. The Contractor shall not be liable for use by MDX of said documents, studies, or other data for any purpose other than that intended by the terms of the Contract Documents.

30. AUDIT AND EXAMINATION OF CONTRACT RECORDS & PROPOSAL RECORDS

MDX reserves the right at any time, and from time to time for any reason whatsoever to review, audit, copy, examine and investigate in any manner, any Contract Records (as herein defined) or Proposal Records (as defined herein) of the Contractor or any Subcontractor.

The Contractor shall include in its contract with any Subcontractor similar provisions as detailed herein and Subcontractors' agreements shall comply with the provisions of this section.

Contract Records shall include, but are not limited to, all information, communications and data, whether in writing or stored on a computer, computer disks, microfilm, writings, working papers, drafts, computer printouts, field notes, charts or any other data compilations, books of account, photographs, videotapes and audio tapes, supporting documents, any other papers or preserved data related to the Agreement or the Contractor's performance of the Agreement determined necessary by MDX for any purpose. If MDX requests access to or review of any Contract Records or Proposal Records and the Contractor refuses such access or review, the Contractor shall be in default under the Agreement with MDX, and such refusal shall, without any other or additional actions, constitute grounds for termination of the Agreement. This provision shall not be limited in any manner by the existence of any Contractor claims or pending litigation relating to the Agreement.

The Contractor shall preserve all Contract Records and Proposal Records for the entire term of the Agreement.

31. PUBLIC RECORDS

The Contractor shall enable reasonable and convenient access to all documents, papers, letters, or other material to any person making a request for such documents pursuant to the provisions of Chapter 119, Florida Statutes, for documents made or received by the Contractor in conjunction with the Agreement. Failure to promptly afford such access may be grounds for immediate unilateral cancellation of the Agreement by MDX and the Contractor shall indemnify MDX against any costs or penalties MDX may incur as a result of the Contractor's failure to comply with, or impede MDX being able to comply with, the provisions of Chapter 119, Florida Statutes.

Upon receipt of any public records request, the Contractor shall immediately notify the MDX Public Records Custodian and secure prior written consent and coordination of response to the request before releasing such records:

If any dispute regarding the Contractor claims arising hereunder or relating to the Agreement, and the Contractor's Services hereunder results in litigation, the prevailing Party in such litigation shall be entitled to recover reasonable attorney's fees and costs, including costs and expenses of expert witnesses.

The term "contested claim" or "claims" shall mean the initial written claim(s) submitted to MDX by the Contractor (disputed by MDX) which have not otherwise been resolved through ordinary close-out procedures of a Task Authorization and/or this Agreement prior to the initiation of litigation. Should this provision be judged unenforceable or illegal, in whole or in substantial part, by a court of competent jurisdiction, this provision shall be void in its entirety and each Party shall bear its own attorney's fees and costs.

No court proceedings on any claim may be filed until the Parties have first participated in mediation.

All Services shall be performed by the Contractor in accordance with sound business and accounting practices to the satisfaction of MDX.
