For Agreements that require a Task Authorization, no Services shall commence without a fully executed Task Authorization issued by GMX.

Notwithstanding any other contract provision related to the term of the Agreement, the Agreement will remain in effect for post design service Task Authorizations where the Consultant is the responsible Engineer of Record until Final Acceptance is issued by GMX to the Contractor responsible for constructing the design completed by the Consultant. - Small Business Enterprise – Goods and Services
- Small Business Enterprise – Construction Services Program

In order to count toward the SB Participation Requirement, the Services provided by the Small Business (SB) must be in the areas of expertise for which the SB is certified for under the applicable program, and be considered a Commercially Useful Function, as defined in the *Small Business Participation Policy*, as may be amended, attached hereto and incorporated herein by reference. The latest version of the *Small Business Participation Policy* may be found on the GMX website at www.gmx-way.com.

The Consultant is required to meet the commitment made to each Small Business as documented in the *Small Business and/or Local Business Participation Statement* completed for each approved Small Business. Any deviation from these commitments shall be pre-approved in writing by GMX.

The Consultant, when certified as a SB, may self-perform one hundred percent (100%) of the SB Participation Requirement.

The Consultant shall not utilize the same firms to meet both the Small Business Participation Requirement and the Local Business Participation Requirement. GMX shall review the Consultant's progress in securing the SB Participation Requirement on an annual basis, commencing on the first anniversary of the Agreement and in the manner outlined in the *Subcontractor/Subconsultant Utilization Report*.

Failure to comply with the SB Participation Requirement shall be a default under this Agreement.

The Consultant agrees to be bound by the provisions of the *Small Business Participation Policy*, as may be amended and incorporated herein, including, but not limited to the sections entitled *Sanctions for Contractual Violations*; and *Prompt Payment*.

It is the Consultant's responsibility to promptly notify the Procurement Department with a copy to the Contract Manager in the event the Consultant and/or a Subconsultant graduates from the Small Business Program as defined by Miami-Dade County. It is at GMX's sole discretion to either:

- 1) Allow the graduated firm to complete the Services under the Agreement, or if applicable, authorized Task Authorizations; or
- 2) Allow the graduated firm to continue counting as a Small Business towards satisfaction of the Small Business Participation Requirement for the lesser of the term of the Agreement or a period of two (2) years after graduation from the SB Program.

GMX will notify the Consultant in writing of its decision.

5.2 Request to Replace/Add Small Business:

The Consultant shall obtain prior approval by GMX in the event they wish to request changes to an approved *Small Business and/or Local Business Participation Statement*, including but not limited to:

REQUEST FOR QUALIFICATIONS (RFQ)
GMX PROCUREMENT/CONTRACT NO.: RFQ-25-03(A)

- (1) Graduation from the SB Program;
- (2) Substitution of a SB Subconsultant;
- (3) Removal of a SB Subconsultant;
- (4) Addition of a SB Subconsultant;
- (5) Reduction of scope/committed amount to a SB Subconsultant; or
- (6) For other justifiable reasons.

As may be applicable, the Consultant must:

- (1) Contact in writing the Procurement Department, with a copy to the Contract Manager to address the issue as soon as possible after the Consultant becomes aware of any such issue. The written notification must include a justification for the requested change and be accompanied, as may be applicable, by any required documentation;
- (2) Submit a *Request for Authorization to Subcontract Work* along with all required documentation therein, available on the GMX website at www.gmx-way.com.
- (3) Submit documentation of the Consultant's efforts to locate a qualified Subconsultant certified under the SB Program, including, but not limited to, contacting possible SB's in writing or by phone, and assisting qualified Subconsultant(s) to become certified under the SB Program, if applicable.

All requests for changes shall be submitted on a completed *Request for Authorization to Subcontract Work* form directly to the Procurement Department for approval not less than ten (10) Calendar Days prior to the commencement of the requested change. All requested changes require review and approval from both the Procurement Department and the Contract Manager. Only one submittal to the Procurement Department is required.

GMX shall review the submitted request with related documentation and determine, at its sole discretion, whether or not to approve the Consultant's request within five (5) Business Days from the submittal of a properly documented request by the Consultant. GMX approval shall be documented through the *Request for Authorization to Subcontract Work* form.

In the event that the Consultant is unable to secure a replacement SB Subconsultant certified under the SB Program to perform the required Services, and has properly documented the efforts as outlined above, GMX, at its sole discretion, may re-negotiate the SB Participation Requirement for outstanding Services under the Agreement.

GMX will not authorize any removals or substitutions of any SB Subconsultant that has been submitted as part of the Agreement unless there has been a change in the Services pursuant to the requirements of the Contract Documents, or for circumstances beyond the control of the Consultant as determined by GMX.

5.3 Recalculation of SB Participation Requirement:

When additional Services are added to the Agreement through a Supplemental Agreement(s), or a Task Authorization is issued, GMX will analyze the particulars of the added Services to determine, at its sole discretion, the Consultant's ability to include SB participation for the additional Services.

In the event the Consultant is assigned Services that are considered specialized and as such do not permit for utilization of SB's, and therefore potentially hinder the Consultant's ability to meet the SB Participation Requirement, the Consultant shall immediately notify GMX in writing. Such notification shall include sufficient information to support the inability to utilize SB's. GMX shall acknowledge in writing receipt and understanding of the notification.

If GMX determines that the Consultant cannot include SB participation for the additional Services, GMX shall exclude the dollar amount for such portion of the Services from the SB Participation Requirement calculation without prejudice to the Consultant.

A similar evaluation will be performed by GMX in the event Services are deleted from the original Scope of Services. GMX will provide such approval through a Supplemental Agreement.

It is the Consultants' responsibility at the time the Services are added or deleted to request the recalculation of the SB Participation Requirement.

5.4 Tracking and Enforceability of the SB Participation Requirement:

The SB Participation Requirement shall be based upon the total dollar amount paid out to the Consultant at the close out of the Agreement, inclusive of any Supplemental Agreements, and excluding any amounts approved by GMX pursuant to the section entitled *Recalculation of SB Participation Requirement*.

GMX shall monitor the Consultant's progress in meeting the SB Participation Requirement as part of the monthly invoice review and approval. Both the *Invoice Tracking Form* submitted with each monthly invoice; and the *Subcontractor/Subconsultant Utilization Report*; will be evaluated to determine the Consultant's progress and ability to comply with the SB Participation Requirement.

Prompt submittals of all required documentation pursuant to the events described in above sections entitled *Request to Replace/Add Small Business* and *Recalculation of SB Participation Requirement* are required to ensure that GMX properly evaluates the Consultant's satisfaction of the SB Participation Requirement.

If during a *Contract Performance Evaluation* it is determined by GMX that the Consultant's progress is insufficient in meeting the SB Participation Requirement, pursuant to the level of completion of the Services and the *Subcontractor/Subconsultant Utilization Report*, the Consultant shall provide GMX for review and approval a written justification for such deviation. In addition, the Consultant shall provide a plan outlining how the Consultant intends to meet the SB Participation Requirement for the remainder of the Agreement.

A *Contract Performance Evaluation* will be performed at close out of the Agreement and if it is determined by GMX that the Consultant's failure to comply with the SB Participation Requirement is unjustified, the Consultant acknowledges that it is in breach of the Agreement.

Any such failure will result in the unjust enrichment of the Consultant and will cause a detriment to GMX. As such, damages arising from such breach cannot be calculated with any degree of certainty and accordingly, it is hereby agreed that the Consultant shall pay to GMX, as liquidated damages and not as a penalty, the percentage of the SB Participation Requirement not met multiplied by the dollar amount paid by GMX to the Consultant throughout the Agreement, but in no event it shall exceed Three Hundred Thousand Dollars and Zero Cents (\$300,000.00). In this event, GMX shall retain any amounts withheld or due to be withheld from the Consultant.

5.5 Contractual Violations:

Some of the contractual violations that may result in the imposition of the sanctions listed herein include, but are not limited to, the following:

- (1) A Small Business serving as a conduit for services designated to a Small Business, but which is being performed by a non-Small Business firm;
- (2) A Consultant not meeting the Small Business Requirement on its Agreement;
- (3) Not retaining certification under the SB Program while performing services designated for a Small Business;
- (4) Termination of the Small Business's subcontract, or stoppage of services of the Small Business without prior approval from GMX, as detailed herein;
- (5) Reduction of the Services of a Small Business without prior approval from GMX;
- (6) Modifications to the terms and/or prices of payment to a Small Business without prior approval from GMX;
- (7) Unjustified failure to enter into a written subcontract with a Small Business after listing them on the *Small Business and/or Local Business Participation Statement*; and
- (8) Failure of payment to the Small Business on a timely manner pursuant to the requirements of the *Small Business Participation Policy*.

5.6 Sanctions for Contractual Violations:

Notwithstanding any other penalties or sanctions provided by law and/or described herein, the Consultant's violation of, or failure to comply with, the SB Participation Requirement may result in the imposition of one (1) or more of the following sanctions:

- (1) Suspension of any payment or part thereof until such time as the issues concerning compliance are resolved;
- (2) Stopping the Services;
- (3) Termination, suspension, or cancellation of the Agreement in whole or part;

- (4) In the event the Consultant or a SB attempts to comply with the SB Participation Requirements through fraud, misrepresentation, or material misstatement, GMX may, whenever practical terminate the Agreement in its sole and absolute discretion.

In addition and as a further sanction, GMX may impose any of the above-stated sanctions on any other GMX contract the Consultant and/or Small Business may have with GMX.

GMX may also remove the Consultant and/or Small Business from any other GMX contract they may be participating in as a subconsultant.

In each instance the Consultant or Small Business shall be responsible for all direct and indirect costs associated with such termination or cancellation of the Agreement including attorneys' fees and costs. In addition to any already applied sanction, the Consultant's eligibility to receive any future contracts from GMX may be conditioned upon the Consultant making up the deficit in Small Business participation of this Agreement in future agreements, as detailed in the *Small Business Participation Policy*. The foregoing obligation shall be in addition to any SB Participation Requirement otherwise applicable to any future agreement.

6. LOCAL BUSINESS PARTICIPATION REQUIREMENT

NOT APPLICABLE TO THIS AGREEMENT.

7. INDEMNIFICATION

Consultant's indemnification obligations to GMX, and others defined in this section as "GMX Indemnified Parties," are not limited, contained or capped by the limits provided to GMX and GMX Indemnified Parties pursuant to Section 768.28, Florida Statutes or any other sovereign immunity limitations afforded by Florida or any other applicable law.

GMX Indemnified Parties are hereby defined as GMX, all of GMX's officers, agents, employees, and successors as well as the Florida Department of Transportation (FDOT) in its capacity as titleholder of portions of the GMX System, and all of FDOT's officers, agents, employees, and successors.

Pursuant to and within the limits of Section 725.08, Florida Statutes, the Consultant shall be required to indemnify the GMX Indemnified Parties from any claim, loss, damage, cost, charge, judgment, or expense, to the extent caused by any negligence, recklessness, or intentionally wrongful conduct by the Consultant, its agents, employees, or Subconsultants during the performance of the Agreement, whether direct or indirect, and whether to any person or property to which the GMX Indemnified Parties may be subject.

The design professional shall indemnify and hold harmless the agency, and its officers and employees, from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the design professional and other persons employed or utilized by the design professional in the performance of the contract.

The Consultant's obligation to indemnify the GMX Indemnified Parties shall be triggered by GMX's notice of claim for indemnification to the Consultant. The Consultant's inability to evaluate liability or its evaluation of liability shall not excuse the Consultant's duty to indemnify within seven (7) Calendar Days after such notice by GMX is given by registered mail.

Only an adjudication of judgment after the highest appeal is exhausted specifically finding GMX solely negligent shall excuse performance of this provision by the Consultant with respect to indemnification of GMX.

The Consultant shall pay all costs and fees related to this obligation and its enforcement by GMX. GMX's failure to notify the Consultant of a claim shall not release the Consultant of the above duty to indemnify.

It is specifically agreed between the Parties executing the Agreement that it is not intended by any of the provisions of any part of the Agreement to create in the public or any member thereof, a third-party beneficiary hereunder, or to authorize anyone not a party to the Agreement to maintain a suit for personal injuries, bodily injury or property damage pursuant to the terms or provisions of the Agreement. The Consultant guarantees the payment of all just claims for the Services and other just claims against it in connection with the Agreement.

The Parties agree that the Contract Amount includes consideration for the Consultant's indemnity agreements.

8. INSURANCE

The Consultant shall furnish to GMX prior to the commencement of any Services under this Agreement, certificate(s) of insurance as required by the Contract Documents. Required insurance types and limits are contained in the Contract Documents and attached hereto and incorporated herein.

If insurance coverage is scheduled to expire during the Term of the Agreement, the Consultant shall be responsible for submitting insurance certificates to GMX before such expiration that evidence of renewal or replacement of the expiring coverage(s). In the event that expired coverage(s) are not replaced with new or renewed coverage(s) that cover the Term of the Agreement, GMX shall suspend this Agreement and all Services associated with this Agreement until certificates evidencing the replacement or renewed coverage(s) are received by GMX; provided however, that this suspension period shall not exceed ten (10) Calendar Days, as determined solely by GMX (the "Suspension Period"). At the end of the Suspension Period, GMX may, at its sole and absolute discretion, terminate the Agreement for cause, as described in the section of this Agreement, entitled, *Termination*.

9. SOVEREIGN IMMUNITY

No provision of the Contract Documents, including this Agreement, shall be construed as a waiver of sovereign immunity by GMX.

10. INDEPENDENT CONSULTANT

10.1 Acting as an Independent Consultant

The Consultant hereby declares that it is engaged in an independent business and agrees that in the performance of this Agreement it shall act as an independent Consultant and not as an employee of GMX. The Consultant has and hereby retains full control of all the employment, compensation, and discharge of all employees of the Consultant assisting in its performance of the Services.

The Consultant shall be fully responsible for Services performed under this Agreement, and all matters related to payment of its employees including compliance with Social Security, withholding tax, workers' compensation, immigration law, and all other laws and regulations governing such matters.

The Consultant shall be responsible for its own acts and those of its agents, independent contractors, and employees during the term of this Agreement. Except as specifically provided and as an independent consultant, the Consultant shall be solely responsible for determining means and methods for performing the Services described in the Contract Documents.

10.2 Full and Complete Payment

The payment made to the Consultant pursuant to the requirements of the Method of Compensation under this Agreement shall be the full and complete compensation to which the Consultant is entitled.

GMX shall not make any federal or state tax withholdings on behalf of the Consultant. GMX shall not be required to pay any workers' compensation insurance on behalf of the Consultant.

The Consultant agrees to indemnify GMX for any tax, retirement contribution, social security, overtime payment, or workers' compensation payment which GMX may be required to make on behalf of the Consultant or any employee, or independent contractor of the Consultant for Services performed under this Agreement.

10.3 No Authority to Act on GMX's Behalf

Except as GMX may specify in writing, the Consultant shall have no authority, express or implied, to act on behalf of GMX in any capacity whatsoever, as an agent or otherwise. The Consultant shall have no authority, express or implied, to bind GMX or its members, agents, or employees, to any obligation whatsoever, unless expressly provided in this Agreement.

11. CONSULTANT, SUBCONSULTANTS, AND EMPLOYEES

Throughout the Agreement, the Consultant, Subconsultants(s) and their personnel shall be properly qualified, licensed, certified, and/or registered by the appropriate governmental authority, including Small Business and/or Local Business certifications, as may be applicable to meet the requirements of the Contract Documents and to perform the Services.

Initial personnel, classifications and rates of personnel, and Subconsultants have been approved by GMX at the time of execution of the Agreement. Any subsequent changes in personnel and Subconsultants shall require prior written approval from GMX as further detailed herein.

The Consultant will use reasonable care in performing the Services and will have the upmost regard for acceptable standard and principles. The Consultant's standard of care shall not be altered by the application, interpretation, or construction of any other provision of this Agreement.

11.1 Consultant's Personnel

The Consultant shall maintain adequate, dedicated, qualified, reliable, and committed personnel for the performance of the Services. Such personnel must perform the Services, at a minimum, with a degree of care and skill common of the profession.

The Consultant warrants that it has not employed or retained any company or person other than a bona fide employee working solely for the Consultant, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the Consultant, any fee, commission, percentage, gift, or any other consideration monetary or non-monetary, contingent upon or resulting from the award or making of this Agreement. It is further understood and agreed that the term "fee" shall also include brokerage and finder's fees, however denoted.

If the Consultant breaches or violates the above-mentioned provision, GMX shall have the right to deduct from this Agreement or Task Authorization price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration or may in GMX's sole and absolute discretion pursue any other remedies available to GMX including termination of this Agreement.

11.2 Removal of Consultant's Personnel

If, in the opinion of GMX, any personnel assigned to the Agreement is not qualified to perform the Services or is insubordinate, disorderly, disruptive, or is detrimental to the progress of the Services, such person shall be immediately removed from the Agreement by the Consultant upon written request from GMX. Such person shall not be assigned to perform the Services under this Agreement again without the written permission of GMX.

Upon the removal of such person, the Consultant shall promptly provide an acceptable substitute at no additional cost to GMX. If the Consultant fails to immediately remove such person and provide an acceptable substitute, GMX may, at its sole discretion, withhold payments due or which may become due, or may terminate the Agreement.

The Consultant shall protect, indemnify, and hold harmless GMX, its agents, officers, directors, members, and employees from any and all claims, actions, or suits arising from such removal, discharge, or suspension of a Consultant employee based on the direction of GMX to remove from this Agreement.

After the Consultant follows the steps described above, GMX shall review the submitted documentation and determine, at its sole discretion, whether or not to approve the personnel change. GMX approval shall be documented through the *Personnel Change Request Form*.

11.4 Subconsultants

The Consultant shall ensure that all subcontracts entered into with its Subconsultants grant GMX all of the rights and privileges of such subcontract, including but not limited to (so long as GMX is not in default of its obligations under this Agreement) GMX's right to secure materials or services from the Subconsultant which might be a part of the Subconsultant's work production.

All Subconsultants and their personnel shall be properly licensed, certified, and/or registered by the appropriate governmental authority, including Small Business and/or Local Business certifications, as may be applicable to meet the requirements of the Contract Documents and to perform the Services.

Upon request, the Consultant must furnish GMX with a copy of any subcontract related to the Services. Subconsulting of any portion of the Services does not relieve the Consultant of their respective liabilities under the Agreement. GMX recognizes a Subconsultant only in the capacity of an employee or agent of the Consultant, and GMX may require the Consultant to remove the Subconsultant as in the case of an employee of the Consultant.

11.5 Changes to Subconsultants

For changes to Subconsultants, the Consultant shall follow the same process as outlined in the section herein entitled *Request to Replace/Add Small Business*.

12. PROHIBITION ON ASSIGNMENT

The Consultant shall not subcontract, sell, assign, transfer or otherwise dispose of the Agreement or any portion thereof or the rights or responsibilities therein, without written consent by GMX. The Consultant shall not assign or transfer the rights or responsibilities of any Services under this Agreement, to any person or firm other than the approved personnel and Subconsultants under this Agreement. The Consultant is hereby prohibited from assigning this Agreement without the express prior written consent of GMX, which consent may be withheld at GMX's sole and absolute discretion.

13. AVAILABILITY OF FUNDS

This Agreement is subject to the availability of funds in the GMX budget for each fiscal year of this Agreement.

GMX will require written authorization from GMX's Chief Financial Officer ("CFO") that funds are available prior to entering into any agreement, task authorization or other binding commitment of funds.

GMX will not, during any fiscal year, expend money not approved by the CFO, incur any liability or enter into any agreement or task authorization that, by its terms, involves the expenditures of money in excess of the amounts budgeted as available for any expenditure during such fiscal year.

SERVICES**

If GMX enters into such an agreement in writing, in violation of this section, such contract or task authorization is null and void, and GMX will not make any payments thereunder. Nothing herein contained prevents GMX from executing agreements or task authorizations for a period exceeding one (1) year, but GMX will make such agreements or task authorizations executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years.

14. CHANGES IN THE SERVICES

Before making any additions or deletions to the Services and before undertaking any changes or revisions to such Services, the Parties shall negotiate any necessary cost and schedule changes and shall enter into a Supplemental Agreement covering such modifications and the compensation to be paid to the Consultant as may be applicable. Reference herein to this Agreement shall be deemed to include any supplement hereto. Unless otherwise agreed to by GMX in writing, the Method of Compensation shall apply to all Supplemental Agreements.

When GMX requires services, which are not covered by the Scope of Services in this Agreement and GMX finds that such service is essential to the satisfactory completion of this Agreement within its intended scope, GMX will make an adjustment to this Agreement through a Supplemental Agreement. The basis of payment for such adjustment will be in the amount GMX determines to be fair and equitable, upon discussion and agreement with the Consultant in writing and in accordance with the relevant provisions of this Agreement, including but not limited to, the Method of Compensation.

A Supplemental Agreement shall be executed by GMX and the Consultant for any additional service not contained in this Agreement.

15. CLAIMS FOR EXTRA SERVICES

In any case where the Consultant deems that extra compensation is due it for Services not covered in this Agreement, the Consultant shall notify GMX in writing within twenty (20) Calendar Days of its intention to make a claim for extra compensation prior to providing such services on which the claim is based. If such notification is not given in writing within twenty (20) Calendar Days, then the Consultant hereby agrees to waive the claims for such extra compensation. Such notice by the Consultant shall in no way be construed as proving the validity of the claim.

16. SCHEDULE AND DELAYS

At the request of GMX, the Consultant agrees to provide progress reports in a format acceptable to GMX and at intervals established by GMX providing the status of Services being done by the Consultant and of the details thereof. Close collaboration and cooperation shall be maintained by the Consultant with representatives of GMX or other third parties approved by GMX. Either Party to the Agreement may request and be granted a conference.

In the event there are delays, or projected delays due to GMX regarding the approval of any of the materials submitted by the Consultant, or if there are delays or projected delays occasioned by circumstances beyond the control of the Consultant which delay is anticipated to delay the completion date, as set forth in the Agreement and/or Task Authorization, GMX may grant to the Consultant an extension of time for performance equal to the aforementioned delays or projected delays, provided there are no changes in compensation or Scope of Services. The Consultant shall not claim any financial compensation due to delays caused by the Consultant.

The Consultant agrees that the sole remedy in this event will be an extension of time for performance. The granted extension may be done in writing by the Director of Engineering or designee, and must include a specific time frame for the completion of the Services, provided that such time extension for completion of the Services does not impact the term of Agreement or trigger effectiveness of contract provisions, such as liquidated damages, as may be applicable. In such case, the time extension must be approved through a Supplemental Agreement.

It shall be the responsibility of the Consultant to monitor and ensure that sufficient time remains in which to complete the requested Services. In the event any delays occur that would affect the completion date, as determined in the Contract Documents, the Consultant shall submit a written request to GMX which identifies the reason(s) for the delay and the amount of time related to each reason. GMX shall review the request and make a determination as to granting all or part of the requested extension.

In the event that the time for performance expires and the Consultant has not requested, or if GMX has denied an extension of the completion date, partial progress payments will be stopped on the date time expires. No payment shall be made for Services performed subsequent to the date time expires until a time extension is granted or all Services has been completed and accepted by GMX.

17. FORCE MAJEURE

The failure of either GMX or the Consultant to comply with any provision of this Agreement due to an act of God, hurricane, war, fire, riot, earthquake, flood, strikes, act of public enemies, or actions of governmental authorities outside of the control of either GMX or the Consultant (excepting compliance with applicable codes and regulations) will not be considered a breach of this Agreement. In this event, the time for the performance of the obligations under this Agreement will be extended for a period commensurate with the delay but the Consultant will receive no additional compensation.

18. EMERGENCY PREPAREDNESS

As may be applicable to the Services, in the event of an emergency, the Consultant shall coordinate with GMX to identify and prepare to assume the necessary responsibilities of the Emergency Preparedness and Response Plan developed for GMX.

19. CONTRACT PERFORMANCE EVALUATION

The Consultant's performance will be evaluated using the Contract Performance Evaluation Procedures attached hereto.

20. CONTRACT DOCUMENTS ORDER OF PRECEDENCE

The Parties agree that the Agreement, inclusive of exhibits and any amendments to the Agreement (the "Contract Documents") shall control unless explicitly replaced or amended in writing and signed by both Parties.

The order of precedence for the Contract Documents shall be:

- Any Supplemental Agreements to the Agreement
- Executed Contract (excluding exhibits listed separately herein)

- Scope of Services
- Method of Compensation
- Solicitation Documents
- Proposer's Proposal

If a conflict exists between a GMX originated document and a document originated by the Consultant, the GMX document shall control. Furthermore, any document created prior to Award of the Agreement shall be superseded by documents created after Award of the Agreement.

21. STANDARDS OF CONDUCT AND CONFLICT OF INTEREST

21.1 Standards of Conduct

This section shall apply to the Consultant, its Subconsultants and any other agent or employee engaged by the Consultant. The Consultant agrees to incorporate the provisions of this section and the section of the Solicitation Documents entitled "*Conflicts of Interest*" in any subcontract into which it might enter with reference to the Services performed for this Agreement and as it relates to the Services performed for the Project. GMX at its sole and absolute discretion may conduct an audit of the Consultant's compliance of its obligations under this section.

The Consultant covenants and agrees that it and its employees shall be bound by the standards of conduct provided in applicable Florida Statutes as they relate to the Services performed under this Agreement, which standards shall by reference be made a part of this Agreement as though set forth in full.

The Consultant shall also abide by the *Procurement Policy, Code of Ethics, Small Business Participation Policy, Local Business Participation Policy* and provisions of the *Vendor's Bill of Rights and Responsibilities*.

The Consultant shall not represent any other party before the State Legislature or any committee thereof, the office of the Governor or any member of the cabinet or any state agency on any matter where such party's interest may be adverse to GMX without the prior written permission of GMX.

In the event the Consultant desires to represent another party before any of the aforementioned public officials, bodies, or agencies on any matter where such party's interest may be adverse to GMX, it shall promptly inform the Executive Director in writing of the party it wishes to represent and of the nature of the proposed representation.

GMX, in its sole and absolute discretion may preclude the Consultant from simultaneously representing GMX and another party when GMX determines that representation of such other party may be adverse to GMX's interest. In making such determination, GMX shall have sole and absolute discretion to determine the role of the Consultant and the nature of its representation of GMX. Should the Consultant fail, after five (5) Business Days' notice, to resolve a conflict as determined by GMX, GMX shall have the right to terminate this Agreement in its sole and absolute discretion.

In the event that such determination shall cause GMX to incur any increased costs due to its inability to retain the Consultant for a particular matter, the Consultant shall promptly pay such costs upon being invoiced therefore by GMX. Absent manifest error, the determination of GMX of such increased costs shall be final and binding on the Consultant.

As used in this section, the term "increased costs" shall mean:

- (1) Administrative costs incurred by GMX including but not limited to legal fees and costs, associated with the retention of another consultant to perform the services that would have been performed by the Consultant absent such conflict of interest, and
- (2) The difference between the amount paid by GMX to such replacement consultant to perform such services and the amount that would have been paid by GMX to the Consultant to perform such services. GMX and the Consultant shall use their best efforts to mitigate the conflict and any increase in costs.

In the event of a dispute between the Parties, the Parties agree to mediation prior to any litigation to resolve said dispute.

GMX is governed in its contracts and transactions by provisions of Florida law relating to conflicts of interest, prohibited transactions, and ethics in government. All parties to contracts with GMX relating to the Services shall familiarize themselves with the Chapter 112, and Chapter 348, Florida Statutes, the *Procurement Policy*, the *Code of Ethics* and with general Florida law regulating GMX's ethical requirements, prohibitions and limitations with respect to procurement and contracts.

The Consultant agrees that it shall make no statement, press releases, or other publicity of any kind concerning this Agreement or its subject matter or otherwise disclose or permit to be disclosed any of the data or other information obtained or furnished in compliance with this Agreement, or any particulars thereof, during the period of this Agreement, without first notifying GMX and securing its consent in writing.

The Consultant also agrees that it shall not publish, copyright, or patent any of the data furnished in compliance with this Agreement, it being understood that under the provisions of this Agreement such data or information is the property of GMX.

GMX shall have the right to unilaterally cancel this Agreement for refusal by the Consultant to allow public access to all documents, papers, letters or other materials, subject to provisions of Chapter 119, Florida Statutes, made or received by the Consultant in conjunction with this Agreement. All documents created in conjunction with this Agreement shall constitute public records for purposes of Chapter 119 of Florida Statutes.

21.2 Conflicts of Interest:

The Consultant warrants that, to the best of the Consultant's knowledge and belief, there are no relevant facts or circumstances which could give rise to a potential or actual conflict of interest, including but not limited to, an Organizational Conflict of Interest, as defined herein, or a Personal Conflict of Interest, as defined herein, (hereinafter collectively referred to as "Conflict of Interest", "Conflicts of Interest" or "COI"), or that the Consultant has disclosed in writing to GMX all such relevant information relating to the Consultant, its employees, its agents or any of its Subconsultants.

REQUEST FOR QUALIFICATIONS (RFQ)

GMX PROJECT/SERVICE TITLE: MISCELLANEOUS DESIGN SERVICES

The term *Organizational Conflict of Interest* as used herein means:

- (a) Because of other activities or relationships with other persons or consultants, the Consultant, its employees, agents, or Subconsultants or their respective employees, is/are unable or potentially unable to render impartial assistance or advice to GMX;
- (b) The Consultant's, or any of its employees, agents, Subconsultants, or their respective employees, objectivity in performing the Services is or might otherwise be impaired; and
- (c) The Consultant, its employees, agents, Subconsultants, or their respective employees, has/have an unfair competitive advantage.

The term *Personal Conflict of Interest* as used herein means a relationship of an employee, Subconsultant, or the employees of a Subconsultant with an entity that will or may impair the objectivity of the employee, Subconsultant employee, or Subconsultant in performing the Services.

21.2.1 Notification of Conflict of Interest

Prior to commencement of any Services, or immediately after becoming aware of a Conflict of Interest, whichever is sooner, the Consultant agrees to notify the Executive Director either:

- (1) That, to the best of its knowledge and belief, no Conflict of Interest exists, or
- (2) To identify to GMX any Conflict of Interest the Consultant or its agents, employees, or Subconsultants may have. In emergency situations, however, Services may begin, but notification of Conflicts of Interest shall be made in writing to the Executive Director within five (5) Business Days.

The Consultant agrees that if a Conflict of Interest is identified during performance, the Consultant will immediately make a full disclosure in writing to the Executive Director. This disclosure shall include a description of actions, which the Consultant has taken or proposes to take, after consultation with GMX, to avoid, mitigate, or neutralize the Conflict of Interest. The Consultant shall discontinue any relevant performance until notified by the Executive Director of any contrary action to be taken.

GMX may, at its sole discretion, withhold payments due or which may become due, suspend the Services, terminate this Agreement for convenience, in whole or in part, if it deems such termination necessary to avoid a Conflict of Interest, or pursue such other remedies as may be permitted by law or this Agreement.

If the Consultant was aware of a Conflict of Interest prior to award or discovered a Conflict of Interest after award and did not disclose it, or misrepresented relevant information to GMX, or GMX becomes aware of a Conflict of Interest that was not disclosed by the Consultant, GMX may at its sole and absolute discretion, withhold payments due or which may become due, suspend the Services, terminate the Agreement in whole or in part for default, or pursue such other remedies as may be permitted by law or this Agreement.

21.2.2 Conflict of Interest Plan

The Consultant shall prepare and submit a Conflict of Interest (COI) Plan within twenty (20) Business Days after the execution of this Agreement or any other time requested by GMX, which outlines the procedures in place to avoid, neutralize or mitigate Conflicts of Interest, whether actual or potential, personal, or organizational, throughout the period of performance of the Agreement. The Consultant's COI Plan is a document which describes the procedures the Consultant uses to identify and report COI's. Generally, a corporate COI plan will describe how a company, in its entirety, addresses conflicts, and will not be contract or program specific.

The plan may also describe the options a company will consider proposing to avoid, neutralize, or mitigate a COI whenever a Conflict of Interest is identified. The plan shall be evaluated and approved by GMX. The plan shall address step by step the checks and balances in place to detect any potential or actual Conflicts of Interest that could result from activities covered in the Scope of Services. The Consultant's obligations with regard to providing notice of Conflict of Interest situations shall apply until the expiration date of this Agreement.

21.2.3 Restriction on Future Contracts

The Parties to this Agreement agree that the Consultant will be restricted in its future contracting in the manner described below.

- (1) The Consultant may be ineligible to participate in any GMX solicitations and ensuing GMX agreements, either as a prime Consultant or Subconsultant.
- (2) The Consultant, during the life of this Agreement, shall be ineligible to enter into any agreement with individuals or firms to perform services on projects related to the Services performed under this Agreement unless otherwise authorized in writing by the Executive Director of GMX.
- (3) The Consultant agrees in advance that if any bids/proposals are submitted for any services that would require written approval of GMX prior to entering into another agreement subject to the restrictions of this section, then the bids/proposals are submitted at the Consultant's own risk.
Therefore, no claim shall be made against GMX to recover bid/proposal costs as a direct cost whether the request for authorization to enter into the other agreement is denied or approved.

21.2.4 COI Adverse Determination

A review process available to the Consultant when an adverse determination is received shall consist of a request for reconsideration to the Executive Director. An adverse determination resulting from a request for reconsideration by the Executive Director will not preclude the Consultant from requesting a review.

Either a request for review or a request for reconsideration must be submitted to the appropriate level within thirty (30) Calendar Days after receipt of the initial adverse determination.

21.2.5 Subconsultants Contracts

The Consultant agrees to insert in each Subconsultant agreement hereunder, provisions which shall conform substantially to the language of the subsection entitled *Conflicts of Interest*, including this paragraph. The Consultant may request in writing that the Executive Director exempt from this Conflicts of Interest subsection a particular Subconsultant agreement for certain technical or consultant services. GMX will review and evaluate each request on a case-by-case basis before approving or disapproving the request.

The Consultant agrees to insert in each Subconsultant agreement hereunder the requirement that any Subconsultant who performs Services as a Subconsultant pursuant to this Agreement and wishes to submit a proposal or bid, either as a prime consultant or as a Subconsultant on any GMX procurement, shall request in writing a determination from GMX that they may participate in the specific GMX procurement prior to the proposal or bid submittal date.

Such written request shall include justification as to why there is no Conflict of Interest in this situation. Failure to do so may result in the Subconsultant's proposal being deemed non-responsive.

21.2.6 Annual Disclosure Form

In compliance with Section 348.0003, Florida Statutes, as may be amended, in addition to all other requirements of the Contract Documents related to avoidance and disclosures of Conflict of Interest, the Consultant is also required to annually submit to the Ethics Officer the Annual Disclosure Form, incorporated herein by reference and found on the GMX website, and provide the following information:

- (2) Whether a relative of the Consultant is registered to lobby the Executive Branch of the State of Florida or the Florida Constitution Review Committee and, if so, the names of such lobbyist's clients must be provided in writing to the Ethics Officer.
- (3) Any and all interests in real property held by the Consultant or the immediate family member of the Consultant, if such real property is located in or within a ½ mile radius of any actual or prospective GMX project. Prior to the execution of the Agreement, the Consultant has been provided a corridor map and property ownership list reflecting the ownership of all real property within the disclosure area, or an alignment map with a list of associated owners.

The Annual Disclosure Form must be submitted by the Consultant on the Effective Date of the Agreement and updated every year on the same date. It is the Consultant's responsibility to obtain from GMX an updated corridor map and a property ownership list for all real property within the disclosure area, and an alignment map with a list of associated owners in order to properly complete the Annual Disclosure Form.

22. CONVICTED VENDORS LIST AND DEBARMENT

The Consultant represents that it is not currently on the convicted vendor list, or debarred as described in the Solicitation Documents and that it shall notify GMX immediately if, during this Agreement, it is placed on said list. The Consultant agrees that placement on said list constitutes grounds for immediate termination of this Agreement by GMX.

By execution of this Agreement, the Consultant further certifies that the information provided in the executed *Sworn Statement on Public Entity Crimes and Debarment* form(s) for both the Consultant and the Subconsultants is true and correct.

The Consultant agrees to indemnify GMX for any costs and expenses, including but not limited to reasonable audit costs, attorneys' fees and expert witness fees that GMX incurs due to any fraudulent statements made by the Consultant in regards to this certification.

- Scrutinized Companies that Boycott Israel List;
- Scrutinized Companies with Activities in Sudan List; and
- Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List.

The Consultant further certified that:

- It is not engaged in a boycott of Israel; and
- It has not been engaged in business operations in Cuba & Syria.

Alternatively, if the Consultant was unable to provide such certification, the Consultant provided to GMX a duly executed written explanation of the facts supporting the applicable exception to the requirement for certification in compliance with Section 287.135, Florida Statutes.

The Consultant shall provide written notification to GMX of any changes to the certification or exception provided, as described above, immediately upon becoming aware of any such changes.

GMX shall have the right to terminate for default the Contract, in GMX's sole and absolute discretion, if the Consultant is found to have submitted a false certificate or to have been placed on any of the above listed lists.

The Consultant shall not engage any Firm to perform Services under the Contract that does not meet the requirements pursuant to this provision.

Any Consultant providing services to GMX must verify the employment eligibility of employees through the U.S. Department of Homeland Security's E-Verify system. In addition, the Consultant shall verify that Subconsultants performing Services on the Agreement utilize the E-Verify system to verify the employment eligibility of employees hired by the Subconsultant during the Contract Term.

GMX will consider the employment by any Consultant or Subconsultant of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. Such violation will be cause for unilateral cancellation of this Agreement by GMX, if it is determined that the Consultant or Subconsultant knowingly employs unauthorized aliens.

25. PROOF OF VEHICLE REGISTRATION

The Consultant shall register all vehicles used in the course of performing the Services as required by Chapter 320, Florida Statutes. If the Consultant fails to register any motor vehicle that it operates in Florida, pursuant to Chapter 320, Florida Statutes, GMX may disqualify the Consultant from proposing on future GMX procurements, or GMX may suspend the Consultant from this and/or other GMX agreements.

Attorneys' fees and costs awarded to the prevailing Party shall mean reasonable fees and costs incurred in connection with and measured from the date a claim is initially submitted to GMX through and including trial, appeal and collection.

In the circumstance where an original claim is subsequently modified, amended or a substituted claim is filed therefore, fees and costs shall accrue from the date of the first written claim submitted.

The term "litigation" shall include mediation proceedings. As a condition precedent to litigation, the Consultant shall have first submitted its claim (together with supporting documentation) to GMX, and GMX shall have had sixty (60) Business Days thereafter within which to respond thereto.

The purpose of this provision is to discourage frivolous or overstated claims and, as a result thereof, GMX and the Consultant agree that neither Party shall avail itself of Section 768.79, Florida Statutes, or any other like statute or rule involving offers of settlement or offers of judgment, it being understood and agreed that the purpose of such statute or rule are being served by this provision.

Should this provision be judged unenforceable or illegal, in whole or in substantial part, by a court of competent jurisdiction, this provision shall be void in its entirety and each Party shall bear its own attorneys' fees and costs.

No court proceedings on any claim may be filed until the Parties have first participated in mediation.

All Services shall be performed by the Consultant in accordance with sound business and accounting practices to the satisfaction of GMX. GMX shall decide all questions, difficulties, and disputes of any nature whatsoever that may arise under or by reason of this Agreement, the prosecution and fulfillment of the Services hereunder, the character, quality, amount and value thereof; and its determination upon all claims, questions and disputes shall be final and conclusive upon the Parties hereto.

Adjustment of compensation and Agreement time because of any major changes in the Services that may become necessary or desirable as the Services progress shall be left to the absolute discretion of GMX and any such adjustments shall be evidenced by Supplemental Agreements between the Parties in accordance herewith.
