Greater Miami Expressway Agency
Attn: Sandra Bridgeman, Deputy CFO
3790 NW 21st St,
Miami, FL 33142

Dear Members of the Board of Directors, Agency CEO and Agency CFO,

We are pleased to confirm the arrangements of our engagement and the nature of the services we will provide Greater Miami Expressway Agency (the "Client", "Entity", "you," or "your"). This letter constitutes the entire agreement between the Entity and CBIZ CPAs P.C. ("CBIZ CPAs," "Firm," "we," "us," or "our"") regarding the services described herein.

ENGAGEMENT OBJECTIVES AND OUR RESPONSIBILITIES

We will audit the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Client, as of June 30, 2025, June 30, 2026, and June 30, 2027, and for the fiscal years then ended June 30, 2025, June 30, 2026, and June 30, 2027, and the related notes to the financial statements, which collectively comprise the Client's basic financial statements as listed in the table of contents.

Our audit will be conducted with the objectives of our expressing an opinion on each opinion unit.

The objectives of our audit of the financial statements are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to error, fraudulent financial reporting, misappropriation of assets, or violations of laws, governmental regulations, grant agreements, or contractual agreements. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America ("GAAS") and in accordance with *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Accounting principles generally accepted in the United States of America ("U.S. GAAP") as promulgated by the Governmental Accounting Standards Board (GASB) require that certain information, such as management's discussion and analysis ("MD&A"), and pension schedules, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the GASB, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our

engagement, we will apply certain limited procedures to the Client's required supplementary information ("RSI") in accordance with GAAS. These limited procedures will consist of inquiries of management regarding their methods of measurement and presentation, and comparing the information for consistency with management's responses to our inquiries. We will not express an opinion or provide any form of assurance on the RSI, because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by U.S. GAAP. This RSI will be subjected to certain limited procedures but will not be audited:

- Management's Discussion and Analysis
- Proportional Share of Net Pension Liability
- Schedule of Pension Contributions

Supplementary information other than RSI will accompany the Client's basic financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the basic financial statements and perform certain additional procedures, including comparing and reconciling the supplementary information to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and additional procedures in accordance with GAAS. We intend to provide an opinion on the following supplementary information in relation to the basic financial statements as a whole:

- Schedule of Calculation of Net Revenues and Financial Ratios, as Defined and Required by the Trust Indenture
- Schedule of Revenues and Expenses Summary, as Defined and Required by the Trust Indenture
- Schedule of expenditures of federal awards and state financial assistance, if applicable

Also, the document we submit to you will include the following other additional information that will not be subjected to the auditing procedures applied in our audit of the financial statements. Management of the Client is responsible for the other information included in the annual report. Our opinions on the basic financial statements do not cover the other information listed below, and we do not express an opinion or any form of assurance thereon:

- Introductory Section
- Statistical Section

It is our understanding that our auditors' report will be included in your annual comprehensive financial report.

Auditor Responsibilities

We will conduct our audits in accordance with GAAS, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America; the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform

Guidance) and in accordance with the Florida Single Audit Act. As part of an audit of financial statements in accordance with GAAS, *Government Auditing Standards,* and in accordance with the Florida Single Audit Act, we will exercise professional judgment and maintain professional skepticism throughout the audit. We will also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

2. Obtain an understanding of the system of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.

3. Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

4. Conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Client's ability to continue as a going concern for a reasonable period of time.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements or noncompliance may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS, *Government Auditing Standards* of the Comptroller General of the United States of America, and in accordance with the Florida Single Audit Act. Please note that the determination of abuse is subjective and *Government Auditing Standards* does not require auditors to detect abuse.

Our responsibility as auditors is limited to the period covered by our audit and does not extend to any other periods.

We will issue a written report upon completion of our audit of the Client's basic financial statements. Our report will be addressed to the governing body of the Client. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph(s) to our auditors' report, or if necessary, withdraw from the engagement. If our opinions on the basic financial statements are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

In accordance with the requirements of *Government Auditing Standards*, we will also issue a written report describing the scope of our testing over internal control over financial reporting and over compliance with laws, regulations, and provisions of grants and contracts, including the results of that testing. However, providing an opinion on internal control and compliance over financial reporting will not be an objective of the audit and, therefore, no such opinion will be expressed.

In addition, if Federal and State thresholds are met, we will audit the Client's compliance over major federal award and state programs for the year ended June 30, 2025, 2026 and 2027. Our audit will be conducted with the objectives of our expressing an and an opinion on compliance regarding the entity's major federal and state awards.

The objectives of our compliance audit is to obtain sufficient appropriate audit evidence to form an opinion and report at the level specified in the governmental audit requirement about whether the entity complied in all material respects with the applicable compliance requirements and identify audit and reporting requirements specified in the governmental audit requirement that are supplementary to GAAS and *Government Auditing Standards*, if any, and perform procedures to address those requirements.

Audit of Major Program Compliance

Our audit of the Client's major federal and state award program(s) compliance will be conducted in accordance with the requirements of the Florida Single Audit Act, as amended; and the Uniform Guidance, and will include tests of accounting records, a determination of major programs in accordance with the Uniform Guidance, Florida Single Audit Act and other procedures we consider necessary to enable us to express such an opinion on major federal and state award program compliance and to render the required reports. We cannot provide assurance that an unmodified opinion on compliance will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or withdraw from the engagement.

The Uniform Guidance and the Florida Single Audit Act requires that we also plan and perform the audit to obtain reasonable assurance about whether material noncompliance with applicable laws and regulations, the provisions of contracts and grant agreements applicable to major federal and state award programs, and the applicable compliance requirements occurred, whether due to fraud or error, and express an opinion on the entity's compliance based on the audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance, and Florida Single Audit Act, will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the entity's compliance with the requirements of the federal and state programs as a whole.

As part of a compliance audit in accordance with GAAS, in accordance with *Government Auditing Standards,* and in accordance with the State of Florida Single Audit Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

Our procedures will consist of determining major federal and state programs and, performing the applicable procedures described in the U.S. Office of Management and Budget *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the entity's major programs, and performing such other procedures as we consider necessary in the circumstances. The purpose of those procedures will be to express an opinion on the entity's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance and Florida Single Audit Act.

Also, as required by the Uniform Guidance and Florida Single Audit Act, we will obtain an understanding of the entity's internal control over compliance relevant to the audit in order to design and perform tests of controls to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each of the entity's major federal and state award programs. Our tests will be less in scope than would be necessary to render an opinion on these controls and, accordingly, no opinion will be expressed in our report. However, we will communicate to you, regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we have identified during the audit.

We will issue a report on compliance that will include an opinion or disclaimer of opinion regarding the entity's major federal and state award programs, and a report on internal controls over compliance that will report any significant deficiencies and material weaknesses identified; however, such report will not express an opinion on internal control.

MANAGEMENT'S RESPONSIBILITIES

1. For the preparation and fair presentation of the financial statements in accordance with U.S. GAAP;

16. For adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the current year period(s) under audit are immaterial, both individually and in the aggregate, to the financial statements as a whole;

22. For providing us with management's written assessment about the effectiveness of the entity's internal control over financial reporting;
23. For supporting management's assessment about the effectiveness of the entity's internal control over financial reporting with sufficient evaluations and documentation (e.g., policy or accounting manuals, narrative memoranda, flowcharts, decision tables, procedural write-ups, or completed questionnaires)

25. For confirming your understanding of your responsibilities as defined in this letter to us in your management representation letter.

With regard to the schedule of expenditures of federal awards and state financial assistance, you acknowledge and understand your responsibility (a) for the preparation of the schedule of expenditures of federal awards and state financial assistance in accordance with the Uniform Guidance and Florida Single Audit Act, (b) to provide us with the appropriate written representations regarding the schedule of expenditures of federal awards and state financial assistance, (c) to include our report on the schedule of expenditures of federal awards and state financial assistance in any document that contains the schedule of expenditures of federal awards and state financial assistance and that indicates that we have reported on such schedule, and (d) to present the schedule of expenditures of federal awards and state financial assistance with the audited financial statements, or if the schedule will not be presented with the audited financial statements, to make the audited financial statements readily available to the intended users of the schedule of expenditures of federal awards and state financial assistance no later than the date of issuance by you of the schedule and our report thereon.

As part of our audit process, we will request from management and, when appropriate, those charged with governance, written confirmation concerning representations made to us in connection with the audit.

We understand that your employees will prepare all confirmations we request and will locate any documents or invoices selected by us for testing.

Management is responsible for all management decisions and performing all management functions including critical judgments and conclusions, and for designating an individual, preferably from senior management, with suitable skill, knowledge, or experience to oversee any financial statement preparation services, assistance with the preparation of the Data Collection Form, bookkeeping services, tax services, or other services we or our associated company CBIZ, Inc. (or its related entities (collectively with CBIZ, Inc., "CBIZ")) provides.

Professional standards prohibit us from being the sole host and/or the sole storage for your financial and non-financial data. As such, it is your responsibility to maintain your original data and records and we cannot be responsible to maintain such original information. If you are missing any documents or workpapers from our prior years' engagements (if applicable), it is your responsibility to inform us. By signing this engagement letter, you affirm that you have all the data and records required to make your books and records complete.

You agree to inform us of facts that may affect the financial statements of which you may become aware during the period from the date of the auditors' report to the date the financial statements are issued.

Schedule of Expenditures of Federal Awards and State Financial Assistance

We will subject the schedule of expenditures of federal awards and state financial assistance to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling the schedule to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on whether the schedule of expenditures of federal awards and state financial assistance is presented fairly in all material respects in relation to the financial statements as a whole.

Also, the document we submit to you will include the following other additional information that will/will not be subjected to the auditing procedures applied in our audit of the financial statements:

List additional information, including additional supplementary information, and define the level of audit coverage that will be provided on such information]

Data Collection Form

Prior to the completion of our engagement, we will complete the sections of the Data Collection Form that are our responsibility. The form will summarize our audit findings, amounts and conclusions. It is management's responsibility to submit a reporting package including financial statements, schedule of expenditure of federal awards, summary schedule of prior audit findings and corrective action plan along with the Data Collection Form to the federal audit clearinghouse. The financial reporting package must be text searchable, unencrypted, and unlocked. Otherwise, the reporting package will not be accepted by the federal audit clearinghouse. We will assist you in the electronic submission and certification. You may request from us copies of our report for you to include with the reporting package submitted to pass-through entities.

Per federal requirements, the Data Collection Form is required to be submitted within the *earlier* of 30 days after receipt of our auditors' reports or nine months after the end of the audit period, unless specifically waived by a federal cognizant or oversight agency for audits. Data Collection Forms submitted untimely are one of the factors in assessing programs at a higher risk.

COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE

It is our understanding that our auditors' report will be included in your annual comprehensive financial report and that this annual report will be issued within 9 months after fiscal yearend.

At the conclusion of our audit engagement, we will communicate to those charged with governance the following significant findings from the audit:

- Our view about the qualitative aspects of the entity's significant accounting practices;
- Significant difficulties, if any, encountered during the audit;
- Uncorrected misstatements, other than those we believe are trivial, if any;
- Disagreements with management, if any;
- Other findings or issues, if any, arising from the audit that are, in our professional judgment, significant and relevant to those charged with governance regarding their oversight of the financial reporting process;
- Material, corrected misstatements that were brought to the attention of management as a result of our audit procedures;
- Representations we requested from management;
- Management's consultations with other accountants, if any; and
- Significant issues, if any, arising from the audit that were discussed, or the subject of correspondence, with management.

ENGAGEMENT FEES

Following commencement of the audit, invoices will be issued on a periodic basis to reflect the progress of work completed. The annual audit fees are stipulated in the CBIZ Sealed Price Proposal for RFP 25-02 Financial Auditing Services, dated February 13, 2025.

Additionally, our fees are dependent on the availability, quality, and completeness of the Client's records and, where applicable, upon the Client's personnel providing the level of assistance identified in the "prepared by client" request list distributed at the end of our planning work (e.g., Client employees preparing confirmations and schedules we request, locating documents selected by us for testing, etc.). Circumstances – including but not limited to those such as those listed in Appendix A – may arise during the engagement that may cause delay or significantly affect our fees. CBIZ CPAs shall not be responsible for any consequences.

Invoices are due upon receipt. If our invoices for this, or any other engagements the Client may have with us, are not paid within 30 days after the invoice date, we may suspend or terminate our services for this and any other engagements. If we suspend our services, we may require that the Client pay all amounts due and/or submit a retainer to CBIZ CPAs before we resume such services. The Client agrees that if we suspend or terminate our services as a result of nonpayment, we will not be responsible for any consequences.

If invoices are not paid within 30 days of the invoice date, a late charge may accrue at the lesser of (i) 1% per month or (ii) the highest rate allowable by law.

DISPUTE RESOLUTION PROCEDURE (MEDIATION AND ARBITRATION) AND GOVERNING LAW

Any dispute arising out of or relating to this engagement, or breach thereof, shall first be submitted for mediation administered by the American Arbitration Association ("AAA") under its Commercial Mediation Procedures. The parties agree to discuss their differences in good faith and to attempt, with facilitation by the mediator, to reach a consensual resolution of the dispute. The mediator shall be selected by agreement of the parties; if the parties cannot agree on a mediator, a mediator shall be appointed by the AAA. The mediation shall be treated as a settlement discussion and shall be confidential. The mediator may not testify for any party in any later proceeding related to the dispute. No recording or transcript shall be made of the mediation proceeding. Each party shall bear its own costs in the mediation, and the fees and expenses of the mediator shall be shared equally by the parties. No other proceeding shall be commenced prior to 60 days after the parties' first appearance before the mediator.

If a dispute has not been resolved within 60 days after the written initiation of the mediation, the dispute shall be settled by arbitration administered by the AAA under its Accounting and Related Services Arbitration Rules (the "Rules"). In the event of a conflict between the Rules and this Agreement, this Agreement shall control. The arbitration shall be conducted before a panel of three arbitrators, selected by application of the rules of the AAA, or by mutual agreement of the parties, except that all arbitrators shall be lawyers or former judges. Discovery shall be permitted in connection with the arbitration only to the extent, if any, expressly authorized by the arbitration panel upon a showing of substantial need by the party seeking discovery. The arbitration panel shall issue its final award in a written and reasoned decision to be provided to each party. The arbitration panel shall have no authority to make an award or impose a remedy that could not be made or imposed by a court deciding the matter in the same jurisdiction. All aspects of the arbitration shall be treated as confidential. The parties and the arbitrator may disclose the existence, content, or result of the arbitration only as expressly provided by the Rules. The award reached as a result of the arbitration will be binding on the parties, and judgment on the award may be entered in any court having jurisdiction.

The terms and provisions of this engagement letter, any course of conduct, course of dealing and/or action of the Firm and/or the Client and our relationship with you shall be governed by the laws of the State of Florida (without giving effect to its choice of law principles).

LIMITATION OF LIABILITY

Unless otherwise prohibited by law or applicable professional standard, you agree that CBIZ CPAs and its personnel shall not be liable to you for any claims, liabilities, or expenses relating to this engagement for an aggregate amount in excess of the fees paid by you to CBIZ CPAs pursuant to this engagement, except to the extent finally judicially determined to have resulted

from the bad faith or intentional misconduct of CBIZ CPAs. Unless otherwise prohibited by law or applicable professional standard, in no event shall CBIZ CPAs or its personnel be liable for consequential, special, indirect, incidental, punitive, or exemplary losses or damages relating to this engagement. This limitation on liability provision shall apply to the fullest extent of the law, whether in contract, statute, tort (such as negligence), professional standard, or otherwise.

No action, regardless of form, arising out of the services under this agreement may be brought by you more than one year after the date the last services are provided under this agreement.

The Client hereby indemnifies CBIZ CPAs and its shareholders and other professionals, and holds them harmless from all claims, liabilities, losses and costs arising in circumstances where there has been a known misrepresentation by a member of the Client's management, regardless of whether such person was acting in the Client's interest. This indemnification will survive completion or termination of this agreement.

OTHER MATTERS

Auditors' Report and Reproduction

We will issue a written report upon completion of our audit of the Client's financial statements. Our report will be addressed to those charged with governance. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add an emphasis-of-matter or other-matter paragraph(s) to our auditors' report. If for any reason, we are unable to complete the audit or we are unable to form or have not formed an opinion, we may decline to express an opinion or decline to issue a report as a result of the engagement. If, in our professional judgment, the circumstances require us to do so, we may resign from the engagement prior to completion.

Except to the extent prohibited by law, if you intend to publish or otherwise reproduce the financial statements and/or make reference to our Firm, you agree that the Client's management will provide us with a draft for our review and approval before disclosure, inclusion or incorporation by reference of any of our reports or the reference to CBIZ CPAs before such document or information is published, printed or distributed. You also agree to provide us with the final reproduced material for our approval before it is distributed. In addition, to avoid unnecessary delay or misunderstanding, you agree to provide us timely notice of your intention to issue any such document. Our fees for any additional procedures or services we require to provide approval to you would be in addition to those fees discussed above. Notwithstanding the foregoing, you may distribute the financial statements "as is," without our written consent; provided such financial statements are not inserted in any other document or are not altered or revised in any manner, including without limitation, the alteration, addition or removal of data or information to or from such financial statements.

With regard to the electronic dissemination of the Client's financial statements, including financial statements published electronically on the Client's website, we are not required to read the information contained in those sites or to consider the consistency of other information in the electronic site with the original document.

Background Checks

As a matter of our Firm policy, we perform background checks on potential clients and/or on existing clients, on an as-determined basis. The terms and conditions of this engagement are expressly contingent upon the satisfactory completion of our investigatory procedures and we reserve the right to withdraw from any relationship should information which we deem to be adverse come to our attention.

Predecessor Auditor

Before formally accepting this engagement, we are required by auditing standards generally accepted in the United States of America to make certain communications with your predecessor auditor. Soon after our appointment as your new auditors, we will request your permission to contact your predecessor auditor, and they will require your authorization to respond fully to our inquiries and to provide us with copies of certain of their working papers. Our continued acceptance of this engagement is subject to the results of such communication. We will notify you immediately if we become aware of anything from your predecessor auditor that results in our not being able to continue this engagement and resulting in us terminating and resigning from this engagement.

Independence and Our Personnel

Professional standards require that a firm and its members maintain independence throughout the duration of the professional relationship with a client. These services are being provided under the AICPA and Government Accountability Office (GAO) independence standards. If the Client becomes subject to Public Company Accounting Oversight Board ("PCAOB") or Securities and Exchange Commission ("SEC") independence standards, those standards will need to be followed. As a result, certain non-attest services that would not impair our independence under the AICPA and Government Auditing Standards may have impaired our past or may impair our future independence under the PCAOB and SEC standards. CBIZ CPAs' acceptance of this engagement is conditioned on confirming that it is independent under applicable standards. We will inform you promptly if we determine that we are not independent.

In addition, we will periodically reevaluate our independence as part of our customary client continuance process or more frequently, should circumstances arise that may require us to investigate whether our independence may have been impaired in which case we may terminate and resign from this engagement in our sole and absolute discretion. You agree to promptly advise us of any matters or changes in circumstances that could affect our independence or give rise to conflicts including, changes in senior management or the Governing Board, or entities that may have preexisting relationships with CBIZ or CBIZ CPAs or conflicts that could affect our independence.

Any discussions that the Client has with personnel of CBIZ CPAs or CBIZ regarding potential employment with the Client could impair our independence with respect to this engagement. Therefore, we request that you inform us prior to any such discussions so that we can implement appropriate safeguards to maintain our independence. Employment offers to any staff member working on your engagement without our prior knowledge may require substantial additional procedures to ensure our independence on this engagement. Any additional costs incurred due to these procedures will be billed at our standard hourly rates.

Furthermore, we strive to maintain a staff of quality, trained professionals. In recognition of the investment we have made to recruit and develop our personnel, solely to the extent not prohibited by law, you agree to not solicit any of our employees involved in this engagement at any time while we are performing services for you or within one year thereafter; irrespective of whether they've worked on your account or not. However, this limitation shall not apply to employment via a general solicitation or open job posting which is not directed towards the employee or CBIZ CPAs.

Access to Working Papers; Confidentiality

Our workpapers and files for this engagement are the property of CBIZ CPAs. If we receive a subpoena or other administrative, judicial, or government demand or request requiring it to provide information or documents, we will, unless prohibited by law, provide written notice to the Client of such demand or request. The Client shall reimburse CBIZ CPAs for our time at standard rates and reasonable expenses (including reasonable attorneys' fees and expenses) incurred in responding to such demands or requests.

Certain professional standards, including American Institute of Certified Public Accountants Code of Professional Conduct 1.700 and similar rules adopted by state boards of accountancy, prohibit the disclosure of client confidential information without client consent, except in limited circumstances. CBIZ CPAs will treat the Client's confidential information in accordance with applicable professional standards. The Client acknowledges and agrees that we may disclose confidential information as directed by the Client or as permitted by law, rule, regulation, professional standards or guidelines, or the terms of this engagement letter. The Client authorizes CBIZ CPAs to use email and other electronic methods to transmit and receive information, including confidential information, related to this engagement. CBIZ CPAs will employ commercially reasonable efforts to protect the confidentiality of transmitted information.

In performing our engagement, we will utilize professional and administrative staff who are employed by or otherwise associated with CBIZ or other entities. These individuals will be under the direct control and supervision of CBIZ CPAs, which is solely responsible for the professional performance of our engagement. Additionally, the professional staff is subject to the standards governing the accounting profession, including the requirement to maintain the confidentiality of client information, and CBIZ CPAs has contractual agreements requiring confidential treatment of all client information.

In addition, the Client agrees that we may provide CBIZ with access to the Client's accounting, financial, and other records in our possession so that CBIZ can provide the Client with any services it has engaged them to perform.

Should you request that we use a third-party electronic file transfer service in connection with this engagement, you acknowledge that CBIZ CPAs makes no representations or warranties regarding the security of data transmitted to and from, or stored by, that third-party electronic file transfer service. You also agree that CBIZ CPAs is not responsible for any loss, or unauthorized interception, of data transmitted to and from, or stored by, third-party electronic file transfer service.

Nothing in this letter is intended to limit your rights and obligations pursuant to the Florida "Sunshine Law", Florida Statute 286.011.

Termination

Our engagement ends on the earlier of termination or resignation (including without limitation, our declining to issue a report or other work product) or CBIZ CPAs' delivery of our report. We acknowledge your right to terminate our services at any time, and you acknowledge our right to terminate our services and this agreement and resign at any time in our sole and absolute discretion, subject in either case to our right to payment for all direct and indirect charges including out-of-pocket expenses incurred through the date of termination or resignation or thereafter as circumstances and this agreement may require, plus applicable interest, costs, fees and attorneys' fees. All terms which by their nature are reasonably intended to survive will survive termination, resignation or expiration.

Examination

We will perform, in accordance with Chapter 10.550, Rules of the Auditor General of the State of Florida, an examination pursuant to AICPA *Professional Standards*, promulgated by the American Institute of Certified Public Accountants regarding the compliance of the Greater Miami Expressway Agency with 218.415, Florida Statutes, Local Government Investment Policies. There is no additional cost for this service. Because of the inherent limitations of an examination engagement, together with the inherent limitations of internal control, an unavoidable risk exists that some material misstatements may not be detected, even though the examination is properly planned and performed in accordance with the attestation standards. At the conclusion of the examination engagement, you agree to provide us with certain written representations in the form of a representation letter.

Circumstances Affecting Timing and Fee Estimate

The estimated fee is based on certain assumptions. Circumstances may arise during the engagement that may significantly affect the targeted completion dates and our fee estimate. As a result, additional fees may be necessary. Such circumstances include but are not limited to the following:

1. Changes to the timing of the engagement at your request. Changes to the timing of the engagement usually require reassignment of personnel used by CBIZ CPAs in the performance of services hereunder. However, because it is often difficult to reassign individuals to other engagements, CBIZ CPAs may incur significant unanticipated costs.

2. All requested schedules are not (a) provided by the accounting personnel on the date requested, (b) completed in a format acceptable to CBIZ CPAs (c) mathematically correct, or (d) in agreement with the appropriate underlying records (e.g., general ledger accounts). CBIZ CPAs will provide the accounting personnel with a separate listing of required schedules and deadlines.

3. Weaknesses in the internal control structure.

4. Significant new issues or unforeseen circumstances as follows:

    a. New accounting issues that require an unusual amount of time to resolve.

    b. Changes or transactions that occur prior to the issuance of our report.

    c. Changes in the Client's accounting personnel, their responsibilities, or their availability.

    d. Changes in auditing requirements set by regulators.

5. Significant delays in the accounting personnel's assistance in the engagement or delays by them in reconciling variances as requested by CBIZ CPAs. All invoices, contracts and other documents which we will identify for the Client, are not located by the accounting personnel or made ready for our easy access.

6. A significant level of proposed audit adjustments is identified during our audit.

7. Changes in audit scope caused by events that are beyond our control.

8. Untimely payment of our invoices as they are rendered.
