

### PROJECT OVERVIEW

The Greater Miami Expressway Agency (GMX) is advancing a milling and resurfacing program along State Road 836/Dolphin Expressway. Current operations are located on westbound SR 836 between NW 87th Avenue and NW 107th Avenue and include overnight lane closures. A new westbound travel lane will be added between NW 87th Avenue and NW 107th Avenue to improve traffic flow and reduce merges. Portable message signs are in place on site to help notify motorists in advance of and during construction.

### BENEFITS

- **Greater roadway capacity.** The additional WB Lane will accommodate more vehicles and improve traffic flow.
- **Less congestion.** Added lane capacity means shorter backups and more predictable travel times.
- **Better use of roadway space.** The existing shoulder will be used to provide an additional travel lane.
- **Clearer lane configuration.** New pavement markings will guide motorists through the improved lane layout.
- **Improved corridor operations.** The additional lane will support more efficient traffic movement.
- **Improved regional mobility.** The project will support commuter travel, freight movement, and evacuation routes.

*Moderate levels of noise, dust in the air, and traffic delays can be expected. Drivers are asked to use the posted detour routes. See the maps on reverse for detour information.*

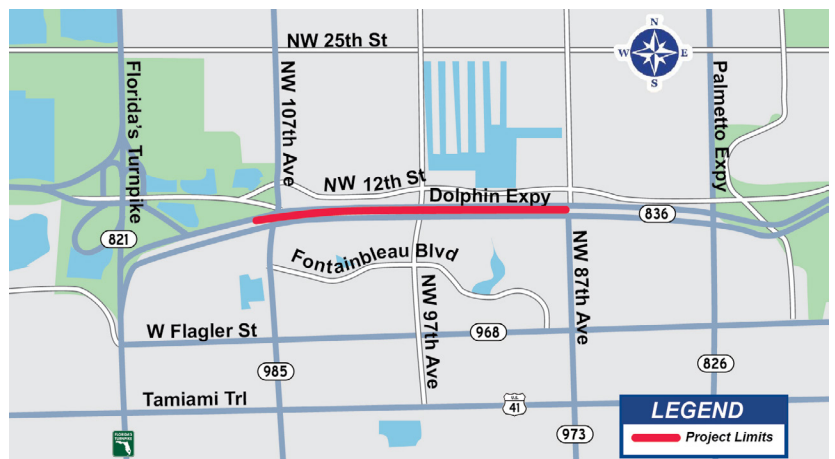

### Phase 1 | August 3-12, 2026

Single and multiple-lane closures on westbound SR 836 between NW 87th Avenue and just west of NW 107th Avenue.

### WHAT DRIVERS SHOULD EXPECT

Overnight lane closures are scheduled on westbound SR 836 between NW 87th Avenue and NW 107th Avenue from August 3 through August 14, 2026. Closures will occur between 11:00 p.m. and 5:30 a.m., with all lanes reopened outside that window. Drivers should expect:

- Overnight lane closures and a new westbound lane pattern within the project limits.
- Posted work-zone speed of 55 mph on SR 836.
- Portable message signs before construction and during closures.

## Phase 2 | August 12-14, 2026

Detour at the westbound SR 836 off-ramp to Northbound NW 107th Ave

### QUICK FACTS

- **Project Limits:** SR 836/Dolphin Expressway (Westbound) NW 87th Avenue to NW 107th Avenue
- **Project Type:** Systemwide Milling & Resurfacing Program
- **Contract No.:** ITB-26-01 (GMX Work Program 30044-000.060)
- **Current Closure Schedule:** August 3-14, 2026 (overnight, 11:00 p.m.-5:30 a.m.)
- **Estimated Completion:** August 14, 2026

## About The Greater Miami Expressway Agency (GMX)

GMX operates five expressways in Miami-Dade County and portions of northeast Monroe County that include SR 836/Dolphin Expressway, SR 112/Airport Expressway, SR 874/Don Shula Expressway, SR 878/Snapper Creek Expressway, and SR 924/Gratigny Parkway. GMX is funded almost entirely by toll revenues and is dedicated to making your commute safer and more efficient. For additional information, please contact the public information office at 786-476-2852.
